2017 Music Contest Recording Order Form

An accurate recording of your group's performance is one of the best ways for you to objectively evaluate the judges' comments and critiques. It also gives your students an outside view of their own performance, helping them to grow as musicians and ensemble performers. Help make this year's music contest a complete educational experience. Purchase a recording of your group. These recordings will be MMEA audition compliant.

The price this year for your group is **\$25.00**. Any of your school's participating ensembles may be included for **\$5.00** per additional ensemble. **This year we offer either CD through the mail or Hi-Res mp3s through download.** For download PRINT your email address CLEARLY! **Only one copy of each group is allowed under MSHSAA rules. For additional copies contact Max Stout for permissions information.**
